PROJECT ESSENCE: HIGHLIGHTS

This five-story residential complex features unique wave-like architecture that harmoniously blends contemporary design with comfort. The ground floor offers parking and a spacious lobby, while floors 1 through 4 house premium apartments (studios, 1-, 2-, and 3-bedroom units). Residents will enjoy a luxurious first-floor terrace with a swimming pool, kids' zone, fitness gym, lounge areas, and BBQ facilities. The fluid balcony lines embody the "oasis" concept in the heart of dynamic Dubai South. More than just a home – it's the lifestyle of the future.

- Signature undulating balconies and facades
- Premium resort-style amenities for luxury living
- Studios to spacious 3-bedroom apartments
- Minutes from Al Maktoum Airport (260M passengers/year)
- 500K+ new jobs by 2030 ensure liquidity

KEY APARTMENT FEATURES

- Spacious private balconies showcasing breathtaking panoramic surroundings
- Seamless open-concept kitchen-living area integration for modern lifestyles
- Premium modern finishes in sophisticated and timeless neutral tones
- Bedrooms strategically designed for optimal privacy and tranquility
- Space-efficient smart layouts that enhance everyday functionality
- Expansive floor-to-ceiling windows flooding rooms with natural sunlight
- Durable high-grade materials carefully selected for lasting quality

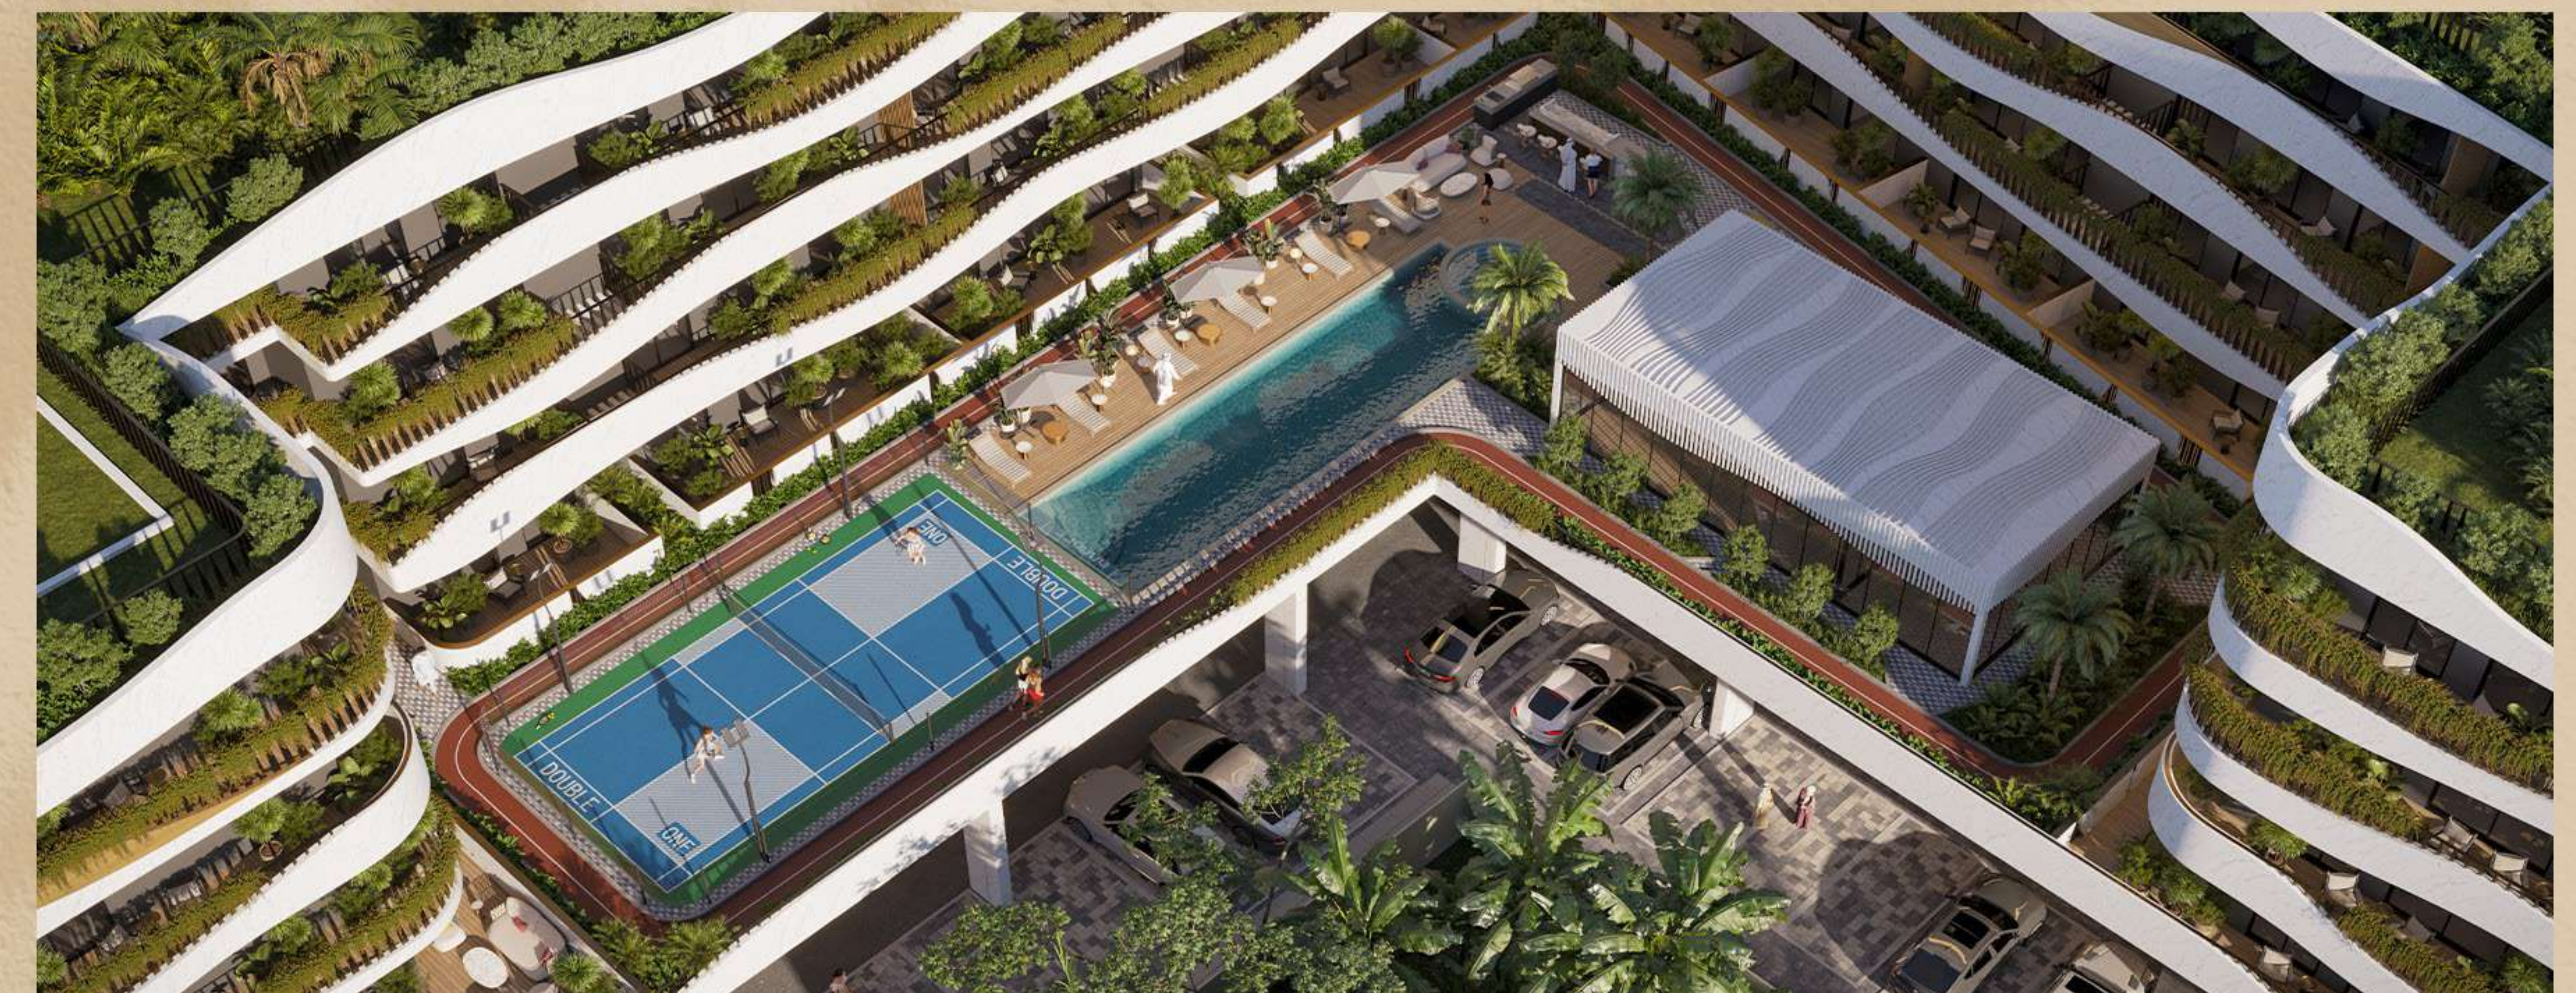

DEVELOPER

HZ Development is a Dubai-based real estate developer creating innovative residential projects in strategic locations like Dubai South. With 15+ years of experience, they deliver quality properties blending modern design, smart amenities and investment potential. Their projects, such as Oasis Residences, offer futuristic architecture and strong ROI near key infrastructure
